

Terra Nova Mastering Studios MOMSR Interview April 28, 2015

Thank you for your interest in the Museum of Magnetic Sound Recording.

Austin, Texas' Terra Nova Mastering Studios, Jerry Tubb, CEO and Chief Mastering Engineer and Nick Landis, Senior Mastering Engineer were interviewed by Chris & Martin Theophilus of Phantom Productions, Inc. for the Museum of Magnetic Sound Recording. Jerry and his wife Diane established one of the first digital mastering studios in Austin in 1990. They have mastered projects for clients including: Johnny Cash, Willie Nelson, Waylon Jennings, Ray Benson, Marcia Ball, Dwight Yoakam, Lynyrd Skynyrd, Eric Johnson and many, many more.

Jerry and Nick share how they ended up in audio recording and what's involved in mastering services.

The Museum greatly appreciated Diane's arranging the interview and both Jerry and Nick's time.

Special thanks to Lukas Nelson for giving permission for the Museum to use brief clips of his song "Georgia" which Jerry was in the process of mastering.
